Are the emergency Budget and coalition agreement a robust platform to drive a radical low carbon and resource efficient transition?

Two days after the emergency Budget, the Aldersgate Group is bringing together a forum of senior stakeholders to discuss whether the new Government is on track to deliver the recommendations set out in the Aldersgate Group's latest report ***Accelerating the Transition: Priorities of the first 100 days of government***. Join business executives, investors, parliamentarians, academics, journalists and key decision makers to analyse and debate the latest policy developments of the new Government.
